TEA AT 1024

Skiing Aspen

Tea at 1024

Just got back from an incredible week of skiing in Aspen, touched down in

Honolulu just in time to avert the tsunami mayhem, only to leave this Saturday to cycle up Haleakala for the third time. I had no idea today was March 1, if

it weren't for the siren warning system, my startled look and dumb question, "whats dat" elicited very strange glares, as I seriously thought we were having another tsunami and this time I was going to be here. After being brought back to my senses with a blushed face I realized today is my younger sister, Angie's 50th birthday, again dumbfounded...how can my younger sister be 50!? Well technically her birthday is on leap year but since that happens only once every 4 years for her sake we celebrate it today. So

Happy Birthday, Ang! Now she can boast that she is *much* younger than I am.

February was an exciting month, Choy Cheng, Mardi Gras, Valentines Day, Chinatown Chase, Great Aloha Run and we are still running, our first Vision Board Achieving Your Dreams was so much fun we are doing it again on

Mardi Gras

We sold Chicken Plates, Cupcakes, Desserts after Dark, Venetian Masks and Beads, Beads, and more Beads oh and a few Boas too.

Wednesday, March 24 at 5pm. We are limiting it to 15 because 20 is just too much. So book early. Call 521-9596.
