Requisite precautions to mitigate disease transmission during the meeting will be enforced by the sergeant-at-arms. If you are not comfortable attending the meeting in person, the Neighborhood Commission website accepts written testimony readily, as described in the boxed information at the foot of this agenda document.

To maintain meeting efficiency, persons within the gallery wishing to speak aloud regarding items on the agenda must make all reasonable efforts to, before the prior speaker has completed his or her presentation or statements, queue with appropriate distancing near the guest microphone. Alternative means of submitting questions without approaching the microphone are available; please be mindful of advisements about such by the Chair.

When recognized by the Chair, advance from the queue, approach the microphone while following distancing precautions, and avoid touching or adjusting the microphone; address your specific question or comment to the Chair. Speakers are afforded up to two minutes (inclusive of approach to the microphone, a brief statement or question, and receipt of any response to same) on any agenda item unless otherwise directed by the Chair.

To permit sufficient time for questions, those giving reports are urged to keep their presentations under three minutes unless otherwise advised. Board Members shall adhere to speaking limits per Board protocol.

The meeting may be recorded for later viewing on 'Ōlelo. To ensure that all verbal comments remain audible during rebroadcasts, please face the designated microphone.
